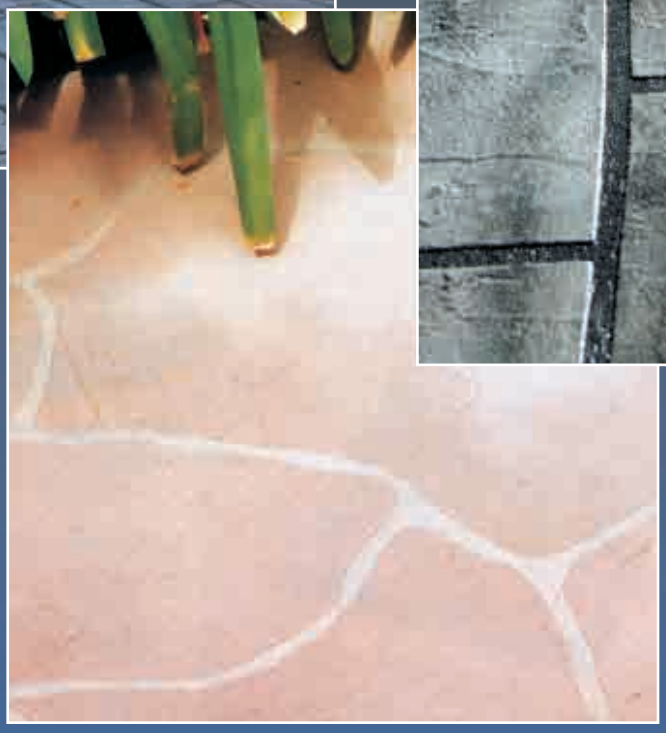
Creative and enduring designs!

Desert Crete Texture/Overlay System



For Driveways, Patios, Pool Decks,
Entryways, Balconies, and Walkways

DESERT BRAND

Decking & Sealer Products
Since 1923

Quality decorative Stone, Brick and Tile finishes for a variety of concrete surfaces

The Desert Crete Teture/Overlay System is ideal for surfacing aged or newly poured concrete surfaces and can be used to attractively finish Desert Crete or Desert Flex Systems. This high quality interior and exterior surfacing system employs high performance acrylic modified cements and when combined with any colorant for Portland cement will provide unlimited color choices. Use with designs made with tape or stencils to create the desired pattern.

Features

- Slip resistant
- Water resistant
- Non-combustible
- Easy to apply and maintain
- Can be sloped for proper drainage
- Excellent tensile, compressive and bond strengths
- Abrasion and chemical resistant
